

April Newsletter Happy Spring!

ITN Monterey County (April, 2016) — your monthly statement provides the date, origin, destination, and cost of any rides you took during March. It also lists payments and the balance in your account. If your balance is less than \$50, a payment is required. Please make your check payable to ITN Monterey County and send it to the address below. We also take credit card payments by phone or through our website:

ITN Monterey County Receives Matching Grant!

The Harden Foundation will match dollar for dollar all donations received up to \$10,000. Thank you to our members who give extra to help keep the doors open.

Thank you to everyone who has given! We have a little ways still to go. We are grateful for your support!

Drivers Needed!

As most of you know, part of ITN Monterey County's continued success rests on the tremendous volunteer driver support it receives. We are in need of more drivers. If you refer a volunteer driver to us, and they sign on as a volunteer, have them mention your name and receive a \$25 credit on your next statement.

April is Volunteer Appreciation Month!

Our riders are absolutely the best! We enjoy our time helping you get where you need to go each day. Spending time with you is rewarding for our drivers all on its own. It is Volunteer Appreciation Month, however, so if you remember, give a special thanks to your drivers this month.

Tipping

For the safety of our riders and the fairness to our drivers, all funds are handled through your pre-paid transportation account. We ask that members do not tip drivers. When riders insist on tipping drivers, it is awkward for the driver and unfair to those who are following guidelines. If you want to show appreciation, you can always make a gift to ITN Monterey County in honor of the driver and we will notify them of the gift you have made. We appreciate your help in this matter!

ITN depends on grants and donations to keep our fares as affordable as possible. We thank all of you who have contributed to our success and sustainability. If you would like to learn how you can leave a lasting legacy to ITN Monterey County, please call Aimee at 831-233-3447
