ITNMontereyCounty (August, 2016) — your monthly statement provides the date, origin, destination, and cost of any rides you took during July. It also lists payments and the balance in your account. If your balance is less than \$50, a payment is required. Please make your check payable to ITNMontereyCounty and send it to the address below. We also take credit card payments by phone or through our website: itnmontereycounty.org

In case you missed it: We have moved...BUT there is NO change in service!

Our new mailing address is: **ITNMontereyCounty, P.O. Box 2121, Seaside, CA 93955**. The building we were in sold and ITNMontereyCounty has relocated to 947 D Blanco Circle, Salinas. However, our services and service area remain the same!

Car Week is Coming! Please Plan Ahead!!!

Monterey County becomes car lover's and tourist's paradise starting the week of August 15. Traffic is heavy and many drivers are unavailable as the volunteer and attend other events. Please consider this when planning your travel for the middle of August and allow extra time for traffic congestion.

August 5 Marks 25,000 Rides Delivered in Monterey County

ITNMontereyCounty has delivered 25,000 rides since opening its doors 4 ½ years ago. We are grateful to all of you and to our drivers and dispatchers for making this program such a tremendous success!

Thank you!!!

Thank you to so many of you who have given generously to our mid-year campaign. Your support helps keep rates reasonable and bridges the gap between what our riders pay and what it costs to operate services. We are grateful.

Drivers Needed!

As most of you know, part of ITNMontereyCounty's continued success rests on the tremendous volunteer driver support it receives. We are in need of more drivers. If you refer a volunteer driver to us, and they sign on as a volunteer, have them mention your name and receive a \$25 credit on your next statement.

Car Trade

Did you know that you can trade in your car for Rides credit on your account? If you have a car that's collecting dust in the driveway, give us a call. We can work out a contract to sell your car and put the proceeds on your Rides account.

ITN depends on grants and donations to keep our fares as affordable as possible. We thank all of you who have contributed to our success and sustainability. If you would like to learn how you can leave a lasting legacy to ITN Monterey County, please call Aimee at 831-233-3447
