

June Newsletter Happy Spring!

ITNMontereyCounty (June, 2017) — your monthly statement provides the date, origin, destination, and cost of any rides you took during May. It also lists payments and the balance in your account. If your balance is less than \$50, a payment is required. Please make your check payable to ITNMontereyCounty and send it to the address below. We also take credit card payments by phone or through our website: itnmontereycounty.org

Schedule Ahead!

We are consistently delivering more than 800 rides in a month and often 50 rides in a day. While customers have up to 2:00 pm the prior business day to schedule and guarantee rides, advanced scheduling is always appreciated and allows staff to work on schedules in advance.

Drivers Needed!

As most of you know, part of ITNMontereyCounty's continued success rests on the tremendous volunteer driver support it receives. We are in need of more drivers. If you refer a volunteer driver to us, and they sign on as a volunteer, have them mention your name and receive a \$25 credit on your next statement.

Car Trade

Did you know that you can trade in your car for Rides credit on your account? If you have a car that's collecting dust in the driveway, give us a call. We can work out a contract to sell your car and put the proceeds on your Rides account.
