

**ITNMontereyCounty (June, 2016)** — your monthly statement provides the date, origin, destination, and cost of any rides you took during May. It also lists payments and the balance in your account. If your balance is less than \$50, a payment is required. Please make your check payable to ITNMontereyCounty and send it to the address below. We also take credit card payments by phone or through our website: [itnmontereycounty.org](http://itnmontereycounty.org)

## [Regeneron has renewed its sponsorship](#)

Great news! Regeneron has renewed its contract with the ITNAmerica. Each month a small pool of funds will be given to ITNMontereyCounty to cover eye care transportations for its members. Because this is a defined, small pool of funds, rides will only be offset as long as funds are available for the month. Free rides will be given for the first 10 miles of vision transportation to help make funds last longer so that everyone can take advantage of the service.

## [Drivers Needed!](#)

As most of you know, part of ITNMontereyCounty's continued success rests on the tremendous volunteer driver support it receives. We are in need of more drivers. If you refer a volunteer driver to us, and they sign on as a volunteer, have them mention your name and receive a \$25 credit on your next statement.

## [Hayward Family Foundation](#)

Thank you to our new supporter, the Hayward Family Foundation, for their new grant of \$10,000. We are grateful for all the financial support we receive from the community!

## [Car Trade](#)

Did you know that you can trade in your car for Rides credit on your account? If you have a car that's collecting dust in the driveway, give us a call. We can work out a contract to sell your car and put the proceeds on your Rides account.

## [July 4](#)

A little reminder: Transportation is available 365 days per year, but the main office is closed for major holidays. The phones will go to the after hours dispatch service on July 4, so please plan in advance! Thank you so much!
